The NCPA Foundation is hosting the Sunrise Breakfast at the NCPA Convention and Trade Exposition in Austin, Texas. The breakfast, sponsored by Cardinal Health, is Tuesday, Oct. 21, from 6:30–8 a.m. Email ncpaF@ncpanet.org for the registration form or to find out details for donating a door prize.

NEW: DISASTER PREPAREDNESS CERTIFICATION
Be sure to attend “Get on the A List: Disaster Preparedness, Response, and Recovery,” at the convention. This session, sponsored by a grant from the Pharmacists Mutual Foundation, will introduce the foundation’s efforts to offer disaster-preparedness certification for pharmacists and to establish a turnkey Disaster Aid and Resource Center. Session participants will get tips for obtaining priority access to community decision-makers before calamity strikes, learn about business continuity plans, and find out about disaster-preparedness certification. State associations wanting to offer this session at their conferences should email ncpaF@ncpanet.org to request more information.
