

Exhibitor Frequently Asked Questions

What are the dates for the convention?

The NPCA Annual Convention will be held Oct. 26-29, 2019. The Exhibit show dates are Sunday, Oct. 27-Tuesday, Oct. 29.

Where is the convention being held?

The NPCA Annual Convention will be held at the San Diego Convention Center in San Diego.

How many individuals attend the NPCA Annual Convention?

More than 3,000 community pharmacy owners, managers, staff pharmacists, technicians, students, pharmacy school faculty, and other special guests attend the Convention each year.

How much does it cost to exhibit?

Please review the exhibitor application and contract for pricing (last page of the exhibitor prospectus.)

What is included with my booth?

All booths come with back and side drapes plus the company identification sign. Each 10x10 booth receives two badges; corporate members get an additional badge for each 10x10 booth. A list of registered attendees who opt in to receive information from exhibitors is emailed a month out from the show, followed up with another list post-show.

How do I become an exhibitor?

Fill out the exhibitor application and contract and email it to exhibits@ncpanet.org.

What is the deadline to submit an application to exhibit?

The application deadline is July 15, 2019. Applications submitted after July 15 deadline will be assigned on a first-come, first-served basis.

How do I know which booths are still available?

The booth selection process is based first on NPCA corporate membership and second on the date the application was received *with payment*. We make every effort to give your company one of your six choices on the application. If your choices are not available, we make every effort to give you the closest booth to one of the six locations you selected.

If you prefer a corner location, please make sure you add the corner fee to your booth fee. This will ensure that you receive a corner location.

When do I find out my booth number?

NCPA does not assign any booths until after the July 15 application deadline. All exhibitors should have their booth numbers before the end of July.

Does NCPA invoice for booth cost?

NCPA does not send invoices. Payment is expected with your application.

When can I register my booth personnel?

Exhibitor registration will open in late spring. We will notify all exhibitors once online registration is open.

What if I need an additional badge?

You can purchase additional badges for \$495 each.

When will the Exhibitor Service Kits be available?

The exhibitor service kits are available by the end of July. NCPA's official general contractor is Levy Exposition Services. Once the service kits are available online, Levy will send an email to each exhibitor with the link and password to access their website.

Can exhibitors attend educational sessions?

Exhibitors are welcome and encouraged to attend all NCPA events, such as the general sessions, educational programming, etc.

Are sponsorship/advertising opportunities available?

Yes. Please contact Lois Davis at lois.davis@ncpanet.org to receive the sponsorship brochure.

Who do I contact for further information about exhibiting?

Nina Dadgar, CEM

Vice President, Business Development
