

Carolyn Ha, PharmD (2008-2009): Carolyn remained at NCPA as the Senior Director of Professional Affairs and Long Term Care. She worked within NCPA's Advocacy Center where she provided guidance and input on the role of community pharmacists, issues affecting the professional practice, and business interests of independent pharmacies. She is now a Director in the Policy and Research Department at PhRMA, where she provides clinical expertise to shape policy development and advocacy related to population health and chronic disease management, improvement of medication use and clinical and quality management strategies.
