

NCPA 2019 Outstanding Adherence Practitioner Award

Sponsored by RxSafe

The NCPA 2019 Outstanding Adherence Practitioner Award recognizes a community pharmacist who demonstrates a commitment to improving patient outcomes through medication adherence in a community pharmacy setting.

The winner of this award receives an engraved commemorative plaque and complimentary registration, accommodation (up to three nights), and travel to the NCPA 2019 Annual Convention. Convention will be held October 26-29, 2019 in San Diego. A donation of \$1,000 will be made to a school or college of pharmacy of the award recipient's choice.

Eligibility

Candidates for the Outstanding Adherence Practitioner Award must be a pharmacist owner, manager, or staff pharmacist of an independent community pharmacy and a current NCPA member. Self-nominations are accepted.

Award Criteria

The Outstanding Adherence Practitioner Award will be presented to a community pharmacist who has made a significant effort in the field of patient medication adherence services. This should be demonstrated through one or more of the following criteria:

- 1) Demonstration of a continuous commitment to patient adherence services;
- 2) Implementation of coordinated adherence services involving other health care professionals;
- 3) Documentation of improved patient medication adherence; and/or
- 4) Promotion of availability and value of pharmacy-based adherence services

Submissions

All nominations are due by October 1, 2019 at 11:59 p.m. EDT. Nominations should include a completed nomination form (next page), a nomination letter, and any supporting documentation. Nomination letters to the Adherence Award Selection Committee should explain why the nominee is deserving based on the award criteria. Late or incomplete nominations will not be considered.
