

Student Professional Liability Insurance

Liability insurance is a necessity for professionals in today's society. As a pharmacy student, you have professional liability exposure while participating in hands-on school activities, working in various pharmacy settings or giving professional advice to friends or family members. Attain financial peace of mind with 24-hour a day liability insurance coverage. This is an NCPA group plan, so join your peers by securing protection at an affordable premium. Group coverage limits are \$1,000,000 per occurrence/\$5,000,000 aggregate.
