

# The New Route to Reimbursement

## *A Roadmap from Application to Activation*

Ready to shift your pharmacy into a new lane? *The New Route to Reimbursement* is a full day, hands-on workshop that guides pharmacists and pharmacy technicians down the path to successful medical billing. From navigating credentialing and contracting to decoding diagnosis codes and designing a successful claim workflow, this session puts you in the driver's seat. Learn how to navigate payer requirements, dodge common roadblocks, and map out your own billing success. Whether you're just approaching the on-ramp or already shifting gears, you'll leave equipped with the tools, knowledge, and confidence to reach your reimbursement destination. *This session is not accredited for continuing education credits.*
