National Community Pharmacists Association Foundation

MedSafe System Features

- Increased foot traffic for retail pharmacies
- New service for your long-term care facility customers
- Three security locks with one-way medicine drop prevents diversion
- Removable inner liners with serialized tracking for compliance
- Easy return by common carrier with prepaid inner liners
- Proper disposal prevents medications from cycling back into our water

medsafe®
Safe Collection Proper Destruction

Dispose of unused controlled (Schedules II-V) and non-controlled medications with MedSafe, an easy-to-operate, DEA-compliant system. MedSafe combines a stainless steel collection receptacle with a removable, prepaid shipback inner liner.

MedSafe is a cost-effective solution for medicine disposal. The receptacle cost is included in the service fee, requiring no money down to get started, and the monthly pricing is fixed with many frequency options.
